

WHAT YOU NEED TO BE PREPARED FOR THE ADVENT CALENDAR?

General:

Sufficient treats -> could be pieces of vegetables, cheese, sausage – whatever your dog likes. Most of the dogs are fine with alternation – you know your dog the best! If your dog has weight problems, please think how you can limit giving treats through the day – **these activities should not be the reason of weight gain!**

- 2 -3 tree cones – open to put something in
- Peanut butter (without salt) only if your dog has no allergic reaction on it
- Empty chocolate inside (plastic – for each piece one place)
- Kong, licking mat or approx. 40 cm stick (only for licking)
- 10 plastic or paper cups – please pick up the cups as they will be used several times at this advent calendar
- Plastic bottle (preferred size)
- 3 – 4 toilet roll cardboard
- One finger thick branch with several twigs
- Some cartons in different sizes – will be used several times
- 1 – 2 Hot Dog sausage or about 10 pieces of cheese (**für 12.12.!!!**)
- Animal hair or used litter of rabbit, Guinee pig, horses, cows....- bad smells which will be beloved by your dog
- 2 – 3 old wash cloth or DIY with an old towel
- Things from the forest or garden (tree cones, leaves, stones, pine needles, feathers, rosehip fruit, moss....)
- Treats that float on the surface – find out by yourself what fits
- Old towel
- Things your dog doesn't know already - ask your friends for smelling dog or cat blanket, old toys of another dog/cat/children, umbrella, unwashed socks, t-shirts.... – unknown things for your dog....
- 2 – 3 carrots, fruits or other vegetables your dog likes (22.12.)
- Empty eggs carton (for 6 or 10 eggs)
- Wrapping paper
- For **24.12.** nice present(s) for your dog (e.g. for chewing, playing...) – pack well and prepare an unpacking pleasure with a nice present to your dog.

Don't hesitate to ask if there are open questions!
