PROUDLY PRESENTED TO

Marion Weber-Jungo

The Caring Human Code™
Official **Kindness Ambassador** Recognition

You are the heart of a better future for dogs and humans.
With this certificate, we proudly recognize you as a
Kindness Ambassador of The Caring Human Code™ —
a champion of calm, compassion, connection, and care.

Through your example, your words, and your actions,
you help spread a message that the world needs now more than ever:
that kindness is not weakness — it is the greatest strength we can
offer.

You are a voice for those who cannot speak, a guide for those seeking a
gentler path, and a builder of bridges between hearts.
Thank you for walking this journey with us, and for being a living
example of what it means to lead with kindness.

WITH GRATITUDE AND CALM,
